ADDENDUM No 2 (Revised)
EDINBURG CISD HIGH SCHOOL
FOOTBALL TURF FIELDS
EDINBURG, TEXAS

This Addendum shall be considered part of the Construction Documents and is issued to change, amplify, add to, delete from, or otherwise explain the plans and specifications. Where provisions of this Addendum differ from those of the original Construction Documents, this Addendum shall take precedence over the original plans and specifications and shall govern.

Addendum Acknowledgement signature needed on page 12 of the Bid Package.

GENERAL

1. Revisions were developed for the plans and specifications, see below.

SPECIFICATIONS

1. Added Geotechnical Engineering Study by Raba Kistner project No. AMA19-041-00 for the proposed Synthetic Turf Field, Dated November 20, 2019.

TECHNICAL SPECIFICATIONS

1. Revised Specification in Division 32 section **32 18 16** Artificial Grass – Slit-Film/Monofilament 2.5". Revise turf length requirement.

PLAN ITEMS

Civil Plans

1. C7.1 TURF SECTIONS
Revised sections to include revised turf length from 2.25 inches to 2.5 inches.
Revised subgrade requirement to meet Geotechnical Engineer’s recommendation.

Bidders are hereby notified that this addendum shall be incorporated in their proposals, and it shall be construed that sub-bidders’ proposals shall reflect with full knowledge, all items, changes and modifications to the Contract Documents herein specified.
