E-Rate 24 (FY2021) Internal Connections Q & A

Question-1:   Where do we include installation costs?

Answer-1:   Installation costs are to be included below each Network Closet section (MDF/IDF), and a Grand Total to be included at the bottom; per Site location.

Question-2:   Will cabling be need, and if so, how many drops?

Answer-2:   No cabling was included in the RFP. Wireless Access Points requested are replacing existing access points at Campus locations.

Question-3:   Will site visits be allowed?

Answer-3:   Site visits may be scheduled after Pre-Bid Conference.

Question-4:   Are services for ISE integration included?

Answer-4:   No, but pricing should be provided as an optional consideration.

Question-5:   Are services for Cisco PRIME included?

Answer-5:   No, but pricing should be provided as an optional consideration.
